SUMMARY

A passionate and **self-motivated Computer Science student** eager to apply and enhance my programming and problem-solving skills. I aim to contribute to impactful tech solutions while growing as a full-stack developer and fostering collaborative growth.

WORK EXPERIENCE

CSI ACE Member

July 2025 - present

As an active CSI ACE member and **Frontend Developer**, I gain real-world experience through live projects while continuously learning online. My skills grow through hands-on development as I work toward becoming a Full-Stack Developer, strengthening problem-solving, teamwork, and adaptability.

PROJECTS

Atharva College Attendance System
